Subject: The Case Against Christine O'Donnell

Reply-To: info@citizensforethics.org

Dear Supporter,

We have received an overwhelming response to our [call for a criminal investigation](#) into Delaware Senate candidate Christine O'Donnell, and I wanted to take a moment to thank you all for your support.

After extensive research and lengthy discussions with [David Keegan](#), who served as a senior financial advisor to the O'Donnell campaign, we learned Ms. O'Donnell had stolen tens of thousands of dollars from her campaign. I felt we had a civic duty to bring these matters to the attention of the authorities as soon as possible. The complaints CREW filed against Ms. O'Donnell [with the United States Attorney](#) and the [Federal Election Commission](#) have nothing to do with her politics and everything to do with the fact that she is a crook.

In short, there are only two differences between Ms. O'Donnell and the grocery store clerk who helps herself to an extra \$20 bill from the cash register just before closing. First, Ms. O'Donnell stole on a much larger scale, and second, she hasn't had a job

in years.

CREW has always been an equal opportunity antagonist when it comes to highlighting corrupt politicians. The last thing the country needs is for one of today's [Crooked Candidates](#) to grow up and become one of tomorrow's [Most Corrupt Members of Congress](#).

Looking for ways to help CREW build a better Washington?

- <!--[if !supportLists]-->We ask that you [sign our petition](#) asking U.S. Attorney for Delaware David C. Weiss to investigate Ms. O'Donnell's campaign spending;
- <!--[if !supportLists]--><!--[endif]-->Keep telling your friends about the work we're doing here at [CREW](#);
- <!--[if !supportLists]-->And, if possible, please [donate](#) so that we continue the work of building a better Washington.

Thank you once again,

Melanie Sloan,
Executive Director
